PRESIDENT'S CORNER...

I can't believe it's November already! The year has passed so quickly. However, November brings us the responsibility of nominating officers and PAC committee candidates for 2007. Please take time before the meeting to consider who you think would be willing and capable to help MSC continue to grow. Also, if you are interested in serving in some capacity please let it be known. Your involvement will always be welcomed.

I certainly enjoyed our October program. James did an outstanding job sharing his knowledge and experiences with umbrella rigs and downriggers. James has a great passion for striper fishing and it really shows. He is a great asset to MSC. Thanks, James for all you do.

The October tournament turned out to be a real challenge. I had heard all week before the tournament the fish were biting very well...schooling around Shull Island Point with plenty of keepers. Well that didn't happen at the tournament and many good anglers were shunked, including myself. Congratulations to all the winners. In closing, remember we will also be drawing for the Ride-A-Long tournament at the November meeting.

See you there!

MSC Spotlight . . .

This month our spotlight is on Parliamentarian Mike Johnson. Mike is Regional Manager for Builders Wholesale Carpet of Columbia and Greenville. Mike is married to wife Ann. They have two children. Mary Margaret, 30, lives in Charleston and works for FOX TV and Cindy, 26, is a designer employed by dad's company.

Mike says, "The members & friends that I have had the opportunity to meet is what he likes best about MSC. It's a unique club and to learn about striper fishing is a bonus. I joined because I wanted to be a better striper fisherman. I attended the first meeting as a curiosity but found out very quickly that the club is a group that enjoys a common bond, fishing, but also helps you in many ways. Lee and Marshall were a special influence in making me feel at home and a part of the club."
