Billy DuRant & Kyle Smith Shine in HydroGlow...

Fishing as Team DC, Billy DuRant & Kyle Smith earned 1st Place in the MSC-Hydro Glow DNR Benefit Open with a catch of four weighed in at 50 pounds, 10 ounces...over 20 pounds more than the second place team. Their total included Kyle's 21 lb 8 oz luncker.

Donnie and son Justin fished as Team Christopher, finishing second in the event with 30 pounds, 3 ounces for their limit of four fish. MSC congratulates both these teams and all the winners...plus all the participants in this important tournament to benefit SCDNR's fisheries efforts.

Billy & Kyle also took 1st in the MSC Club event and the Christophers took second. Finishing third with a limit weighing 25 pounds, 3 ounces was the team of Arthur Simmons, Jim Fiber and Brad Hofman.

Kyle's big striper now leads MSC's AC/Delco Voyager Luncker category for the year.

Tournament Statistics:

64 paid. 78 fish were weighed by 21 boats at an average of 5.42 pounds.

August Tournament one year ago...

The team of David W. Jennings, Michael Spires, Brian Thomas and Lee Thomas captured first place in our August night event. The team weighed a limit of four stripers in at 31-13.

In second place was the team of Ann and Forrest Byrd and visitor Rish, weighing in their four at 28-15, enough to keep Ann atop the AOTY pack. In addition, the team weighed the AC-Delco Voyager Luncker of the event, a 17-1 luncker. Finishing in third place was the team of James Cassell and Billy DuRant, who weighed in four weighing 26-11. 17 boats fished. 10 boats weighed 4-fish limits. 53 fish were weighed at an average weight of 5.28 lbs.

PRESIDENT'S CORNER...

We've just completed another successful MSC HydroGlow Tournament held out of Jake's Landing. I wish that I could personally thank each of the MSC members, spouses and other people, who happened to be in the area, for working as a team and making this event very successful. The club raised several hundred dollars through this event. Whenever a call goes out for volunteers, you are always there and it makes everyone's job much easier when we all pitch in.

According to comments heard at the weigh in fishing was pretty tough from around 11:00pm Friday to about 4:30am on Saturday. I guess if the truth were known, we all must slow down sometime during the night and this seems to be the case with the fish. I heard Warren Turner make the comment that as he flew in to the airport and the plane went over Lake Murray, there was no doubt that a HydroGlow Tournament was in progress. I bet it was awesome to see the big pool lit up with green lights.

Let's take what we learned from this tournament and carry it forward to our August tournament. First and most importantly we had no safety incidents and secondly maybe Billy and Kyle will be willing to share some information on how to catch big fish early and just chill out the rest of the evening.

Congratulations to all who fished, as we are all winners. Looking forward to seeing everyone at our next meeting and until then...
